

The Nordic IVF Laboratory Society (NILS)
20th Meeting in Copenhagen
May 3rd-4th, 2024

1st Announcement

The Nordic IVF Laboratory Society (NILS) hereby invites you to the **20th Meeting in Copenhagen, Denmark**

The meeting will take place at **Rigshospitalet**. For accommodation hotel rooms have been prebooked for participants at **Hotel Wakeup Copenhagen** (Bernstorffsgade 35) located directly in the city of Copenhagen and approximately 25 minutes (10 km) from Copenhagen international airport.

Registration fee for the meeting including workshop/special sessions will be 130 €. Travel costs and the accommodation will be paid by participants themselves.

At this meeting we will focus on the following exciting subjects:

- **Future of the Male infertility treatment**
- **Sperm quality and microtese**
- **Oocyte activation**
- **Fertility preservation in clinical practice**

We will organize special sessions on Friday focusing on the oocyte vitrification and new innovations for IVF lab!

1. Hands-on workshop of Oocyte vitrification together with Novavitae and Irvine Scientific.

2. Demonstration session including **OvoSelect - DNA fragmentation in Oocyte Cumulus cell** (by Halotech/NordicCell), **Time-lapse and AI** (by Vitrolife), **Sperm selection and ZyMot** (by IVF TECH) and **Witnessing system** (by Cooper Surgical).

3. Special Educational session for junior embryologists will be organised also on Friday!

Further information regarding registration and the scientific program will be sent out soon.

Mark the dates to your calendar!

On behalf of NILS,

*Helle & Solvej
Sirpa, Anette, Frida, Julius, Renata and Sanna*
